## Benefits

Pawbiotics Probiotic Chews help your pet live a healthier more active lifestyle. Adding years of running, jumping, and playing around.

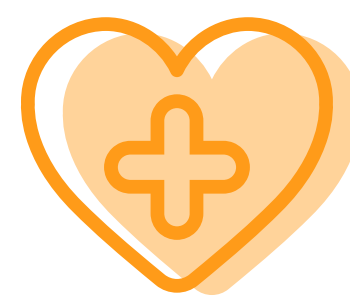

### Stops Runny Stools

No more having to pick up mushy-soft dog poop.

### Clears Allergies

Pawbiotics helps alleviate any allergy symptoms like itching, scratching, and paw licking.

### Add More Years

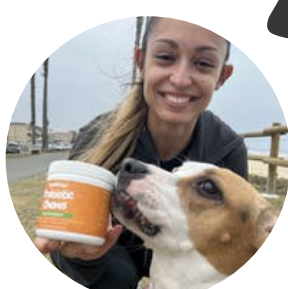

Adding a probiotic helps support their immune system adding years of slobbery wet kisses.

### Boosts Energy

Is your dog feeling lethargic? It could be do to poor gut health.

## Rating

By Diana Shelton

"He no longer itches and scratches and I finally have my peace of mind back knowing he's not in pain anymore."
